

# Generations Against Bullying

## Presents:

Miss Leia Rios Miss Wisconsin USA Ambassador Pre Teen – 2020

**Leia is available to speak to your Girl Scout Troops on Cyberbullying, Bullying, Self-Esteem and how to be an Upstander at no cost to you.**

Leia Rios, Miss Wisconsin USA Ambassador Pre Teen, has partnered with Generations Against Bullying to reach out to communities, Girl Scout Troops and schools throughout Wisconsin, the Nation, and Internationally, to help raise awareness about bullying and to educate our youth about bullying prevention.

Leia chose to take the pledge against bullying as she has personally experienced bullying due to her learning disability. For that reason she has became a mentor and practices daily the bug and a wish. Which means you tell someone “It bugs me when you do this.’ I wish you would stop.” Leia is honored to join Generations Against Bulling (GAB) and be a role model to help deliver GAB’s Upstander message

*“85% of the time, bullying will stop within 10 seconds if a Bystander becomes an Upstander in a non-threatening way.”*
